Why are we doing this?

WHY

01 Lack of clear information to make better decisions

02 Families often unaware of programs / services that could help them

03 Improve Programs / services geared towards those families.

04 Families are vulnerable often taken advantage of

05 Willingness to help in the community but how?

What is our mission?

WHAT

MISSION

AMBITION

AMBITION

- Empower individuals & families going through grief.
- Make information and resources more accessible and work to shape a better future for them.
- Create opportunities for those who could have been denied them.

AMBITION

We believe in the importance of acting with courage, challenging the status quo and finding new and better ways to inform and assist those in need.

How are we going to achieve our goals

HOW

1

Provide information

Have the most up to date and relevant information to help them make their decisions

- On website.
- In person.
- Press.
- Workshops & events.
- Partner with other organizations and businesses.
- Partner with professionals to refer them to.

Provide support & assistance

Work with all stakeholders to provide greater support and assistance

- Consult with stakeholders.
- Explore ways to improve the system.
- List, prioritize, plan and execute findings.

For example, shorten wait time for some programs and services and make them more suited to their specific situation.

Build meaningful connections

Connect those who want to help to those who need it.

- Review list of identified needs.
- Build connections with organizations & businesses willing to help.
- Provide a platform to make them accessible to our target audience (online & offline).
- Match needs with available resources.
